WHEREAS, C&S Engineers have completed the design phase of the PSAP Project and NYSDOT has authorized funding for the project;

NOW, THEREFORE, BE IT RESOLVED, that the City of Plattsburgh Common Council hereby authorizes the Department of Public Works to advertise for bid for the construction phase of the PSAP Grant Project for a 4 week period.

7.7 RESOLUTION TITLE: City of Plattsburgh Adoption of a Complete Streets Policy

WHEREAS, a “Complete Street” is a roadway planned and designed to consider the safe, convenient access and mobility of all roadway users of all ages and abilities. This includes pedestrians, bicyclists, public transportation riders, and motorists; it includes children, the elderly, and persons with disabilities; and

WHEREAS, a Complete Street roadway design features include sidewalks, lane striping, bicycle lanes, paved shoulders suitable for use by bicyclists, signage, crosswalks, pedestrian control signals, bus pull-outs, curb cuts, raised crosswalks, ramps and traffic calming measures; and

WHEREAS, a 2015 Smart Growth America Study of completed projects found that “Complete Streets projects improve safety for everyone, increase biking and walking, and show a mix of increases and decreases in automobile traffic, depending in part on the project goal.” The New York City Department of Transportation found “convincing evidence that improved accessibility and a more welcoming street environment, generated increases in retail sales in project areas; and

WHEREAS, on August 15, 2011 Governor Andrew M. Cuomo signed the Complete Streets Act (Chapter 398, Laws of New York), which requires state, county and local agencies to consider the convenience and mobility of all users when developing transportation projects that receive state and federal funding; and

WHEREAS, promoting pedestrian, bicycle and public transportation travel as an alternative to the automobile promotes healthy living, reduces negative environmental impacts and is less costly to the commuter; and

WHEREAS, the City of Plattsburgh is dedicated to providing safe, convenient access and mobility to the roadways for all ages and abilities.

NOW, THEREFORE, BE IT RESOLVED, that the City of Plattsburgh will, to the extent reasonable and affordable, view all transportation improvements as opportunities to improve safety, access, and mobility for all travelers in the City of Plattsburgh and recognizes bicycle, pedestrian and transit modes as integral elements of the transportation system; and

BE IT FURTHER RESOLVED, that the City of Plattsburgh will make Complete Streets practices a routine part of everyday operation, will approach every transportation project and program as an opportunity to improve public (and private) streets and the transportation network for all users, and will work in coordination with other departments, agencies and jurisdictions to achieve Complete Streets; and

BE IT FURTHER RESOLVED, that the City of Plattsburgh will consider incorporating Complete Street design features and practices in the planning, design, approval and implementation process for any construction, reconstruction, retrofit, maintenance,

alteration, or repair of streets, bridges or other portions of the transportation network whenever feasible; and

BE IT FURTHER RESOLVED, that a Complete Streets Report will be completed by City of Plattsburgh staff for every relevant construction or planning project; and

BE IT FURTHER RESOLVED, that the City of Plattsburgh recognizes that some roadways within the City contain low vehicle volumes and slow travel speeds and may already safely and efficiently accommodate pedestrians and bicyclists.

BE IT FURTHER RESOLVED, that per the Complete Streets Act (New York State Law Chapter 398), a Complete Streets approach is not required if the City of Plattsburgh determines that one or more of the following situations exists;

- A.** Use by bicyclists and pedestrians is prohibited by law, such as within interstate highway corridors; or
- B.** The cost would be disproportionate to the need as determined by factors including but not limited to, the following: land use context; current and projected traffic volumes; and population density; or
- C.** Demonstrated lack of need as determined by factors, including but not limited to, land use, current and projected traffic volumes, including population density, or demonstrates lack of community support; or
- D.** Use of the design features would have an adverse impact on, or be contrary to, public safety.
- E.** Nothing in this policy shall require the City of Plattsburgh to expend monies in accordance with Complete Streets that exceed the amount of available local, state and federal funding for such Complete Street design features.
