**RESOLUTION TITLE: ADOPTING NEGATIVE DECLARATION FOR PROPOSED LOCAL LAW P-4 OF 2021 AND AUTHORIZING FILING IN ACCORDANCE WITH REQUIREMENTS OF STATE ENVIRONMENTAL QUALITY REVIEW ACT**

**WHEREAS**, proposed Local Law P-4 of 2021 amending Chapter 360 "Zoning" of the City Code of the City of Plattsburgh was introduced to the Common Council (the "Action"); and

**WHEREAS**, the Plattsburgh Common Council determined that, as lead agency, the Action is an Unlisted Action pursuant to the State Environmental Quality Review Act (SEQRA) and reviewed a Short Form Environmental Assessment Form (SEAF) for this proposed legislative act.

**NOW THEREFORE BE IT RESOLVED AS FOLLOWS:**

1. The Common Council, as Lead Agency, reviewed and fully considered the proposed Action, Part 1 of the SEAF s, and completed Part 2 of the SEAF after consideration of each item during the Council's September 2<sup>nd</sup> meeting; and
2. The Common Council identified potential impacts of the proposed Action as "Moderate to Large" as opposed to "No or Small" in Part 2 whenever it appeared at all possible that an EAF threshold might be met in order to provide an opportunity to further clarify these hypothetical impacts in SEAF Part 3; and
3. In order to determine the significance of these potential impacts, the Council evaluated several characteristics of each potentially Moderate to Large impact, as appropriate to the particular impact, in SEAF Part 3, which is incorporated herein by reference; and
4. The Common Council has taken a hard look at the potential environmental impacts of the Action by carefully considering them and thoroughly evaluating their potential significance as fully discussed in SEAF Part 3;
5. Based on its extensive review of the impacts that may be reasonably expected to result from the proposed Action including, to the extent possible, the speculative development scenario combined with the remaining zoning code provisions which would control future proposed projects, and governed by the rule of reasonableness, the Common Council determines that the proposed Action will not have a significant adverse impact on the environment and the particular facts and circumstances of the proposed Action do not require preparation of an Environmental Impact Statement.
6. The Mayor is authorized and directed to indicate the Common Council's determination by completing and signing Part 3 of the SEAF and to cause the entire completed SEAF with the supporting documentation to be filed and distributed as the Common Council's SEQRA Negative Declaration for the Action in accordance with SEQRA requirements.
